online

Scientific Programme

Workshop on Content: 10-12:30 am, 31. June 2025

Introduction

Use Case 1

Hands on Session

Idea 1: Hands-on sessions: show a picture. What do you see? Post keywords in chat, show Iconclass;

Idea 2: Use subject keyword lists from a database without IC, then do a mapping of these concepts to IC, discuss arising challenges and added value of using IC (context from hierarchies etc.)

Use Case 2
